WILMINGTON, MASS., THURSDAY, APRIL 15, 1971

FIFTEEN CENTS

Musket Drill by Minute Men

Will Re-enact Concord March

For the second time in two hundred years Minute Men of Wilmington will march to Concord, on April 19th.

The Wilmington Company of Minute Men marched, on April 19th, 1775, under command of Captain Cadwallader Ford Jr., and participated in the battle with British forces at Merriam's Corner, and then on to the Charlestown lines. This year only two of the Wilmington Minute Men are to make the march, on foot. The rest are to proceed by the more conventional auto.

It is not known at this writing who the two Wilmington Minute Men will be, to march to Concord on April 19th., but they will assemble on the Common at 3 a.m. to start their second history making hike.

The march will be along Route 62, which may or may not have been the route of the original company, on the first march. The Wilmington Minute Men are to be provided with, (so their commander states) a plentiful supply of Baldwin Apples, or a suitable substitute.

Fifes and drums are to be sound-
ing all over Middlesex County this
weekend and next Monday, as the
"Colonials" of every village and
town assemble for a very busy
weekend, commemorating Heri-
tage Week and the 196th anniver-
sary of the start of the Revolu-
tionary War.

The start will be Saturday. The
Wilmington Minute Men will par-
ticipate in a Liberty Pole cere-
mony at Bedford Green, and then
to Merriam's Corner in Concord,
to participate in ceremonies at
the original site where the Wil-
mington Minute Men first entered
into battle.

At the conclusion of the Mer-
riam's Corner ceremonies the
entire group of Minute Men
Companies are to go down the
Battle Road to Lincoln, where
there is to be a re-creation of the
capture of Paul Revere, and
then on to Fiske's Hill, for the
age old ceremony of Lexington
and Concord Passing the Flag.

Saturday evening the Chelmsford
Minute Men are to have a Light-
ing of the Liberty Tree ceremony,
with the hanging of colonial
lanterns, to be followed by a

Colonial Ball.

Ecumenical Service
Sunday morning, in the Metho-
dist Church, the members of the
Wilmington Company of Minute
Men and their ladies and families
are to take part in an Ecumenical
service. The first sermon
preached to the Minute Men, 196
years ago, was by a Reverend
Mr. Stone of Boston, who came
to Wilmington on horseback to
address the Minute Men on the
fourth of April, 1775.

**Sunday afternoon should prove
to be most interesting. A Musket
Drill is scheduled by the Wil-
mington Company of Minute Men,
before the start of the Lacrosse
Game.**

Sunday evening will be at the
annual Minute Men Ball in Con-
cord, 8 p.m. to midnight, during
which there will be a march of
the various companies to Wright's
Tavern, to greet Dr. Prescott,
the Boston Out-Rider bearing the
Governor's Proclamation.

After the two Wilmington Min-
ute Men start their march to
Concord on Monday morning
they will be followed by the rest

of the company, who will assemble

at a more normal hour, 7:30 a.m.,
at the tomb of Captain Ford, the
brick "chimney" in the ceme-
tery, near the Town Hall, to pay
their respects to the first Cap-
tain of the Wilmington Minute
Men. They will then drive to
Concord, looking for the two
marchers along the stonewalls
(and under the apple trees) and
will march in the Concord Pa-
rade at 9 a.m. The Wilmington
Company will be one of the
twenty-two companies of Min-
ute Men in the march - Second
Division. Other divisions will
have visiting companies from
other states, none of course being
Minute Men.

The Wilmington Minute Men
will also march in the afternoon
of the 19th in East Lexington, in
the annual Lexington Day Parade,
starting at 2 p.m. and then par-
ticipate in the Colonial Collation,
of Minute Men Punch.

It will all be, the Wilmington
Minute Men say, just a prelude
to the 15th of June - when they
are going to Bunker Hill to really
fight those British!!

GREG BRACISKA: Five year old, is one of 60 or more youngsters who is undergoing tests on his speech ability, at the High School, in a program sponsored by the Wilmington Kiwanis. The Moore Street youngster, is shown with Mrs. Elizabeth N. Miles of Reading, Speech Pathologist, and the secretary of the Massachusetts Speech and Hearing Association. In spite of the posture, Greg was not nursing a new vaccination. That, his mother informed the Town Crier, was to come next day.

Tom McGuinness was Lost

Possibly Tom McGuinness, 15 year employee of the Wilmington Highway Department was asleep on the job. If such was the case no one could blame him - for he had 82 full bags of leaves, and what could provide a softer couch?

Tom and Bob Barnaby answered a call to a Linda Road address, Tuesday, in connection with the current town drive for cleaning up homes. There they found a householder with 82 bags of leaves, to be taken to the town dump. It was the biggest load ever carried by one of Wilmington's Highway Department trucks - the truck was practically a sky-scraper.

Tom, who was up in the six yard body, was lost sight of by the driver, and wasn't seen again until the truck arrived at its destination.

Bill Hunt, another driver for the Highway Department has a story, too. The drivers have been told that the householders are to lug the material to be taken away to the curbside, but when Bill heard that it was a case of an old man, at one address, he cheerfully volunteered, and lugged a couch to the curb for the family.

Then Bill heard that the old man was 60. Bill is 62!!

A BOND IS A BOND -

And a mistake is a mistake.

Six years ago the Town Crier sat in at a Planning Board meeting, and watched goggle eyed as Planning Board members ignored a piece of paper which, it was understood, was the latest bond for a real estate development. Bonds were a hot subject at the time - the Selectmen and the Town Manager had been having conferences about What to Do, How to Do, and Why Wasn't it Done, with reference to previous bonds.

And so, when no Planning Board member even so much as picked up the bond to look at it, other than Mr. Miceli - well it was enough to make any reporter goggle-eyed. What the reporter did not know, and did not learn until last week, was that the piece of paper on the table was not a bond, but a receipt of some sort from the Town Manager's office. So, in reporting Mr. Miceli's motion, and subsequent motions on the Section II Bond of Alderwood Estates, the Town Crier was in the position of the man who had discovered the Original Sin.

And, until there had been a vote, the "bond" was not in the realm of "public property". The vote wasn't until the end of the meeting, so that the "bond" was never seen.

A week ago, in the Planning Board meeting Danny Gillis reported that the paper was not a bond, but a receipt. It was the first this paper knew of that fact.

Monday night Mr. Gillis went to the Selectmen's meeting, prepared to hang the Town Crier sky high. He demanded that the Town Counsel call on the Attorney General for help, etc. etc.

Except for Mr. Miceli the Selectmen were not impressed. They, the Selectmen have had experience with two or three papers making errors. Mr. Gillis was talking only about one paper.

Mr. Gillis, it must be said, ran the gamut. The Selectmen were just polite. And Mr. Miceli was smiling like a Cheshire Cat.

By Tuesday evening Mr. Gillis was back to his old smiling self.

Rotary Carnival is next Week

Due to reasons beyond the control of the Wilmington Rotary Club the annual Carnival will not take place this week, but will be in full swing during next week.

The carnival, which raises money for Rotary Park, will be in the area between Main Street and Lowell Street, April 19 thru 24.

Camp Forty Acres Cleanup

The time has arrived, for all who have had a good time at Camp Forty Acres during the past year. The time has arrived to give the camp a Good Clean Up and Fix Up.

Painting, Carpentering, Plumb-
ing, Raking, Road Fixing, and
many other jobs are available for
the young and the young in spirit.
Bring your own tools is the rule.

The Directors have set two Satur-
days - May 1 and May 8 for the
date of Forty Acres Cleanup.
The job will start at 8 a.m. and
continue to dusk.

It is, the directors point out, the
only charge that is made to the
people of Wilmington for the sum-
mer time use of Camp Forty
Acres, off Andover Street in
North Wilmington.

YOUNGSTERS & EASTER EGGS

Perhaps one of the nicest things
to happen at the egg hunt on Easter
Sunday at the Town Park was
that a group of teen-age boys
arrived earlier in the day and
raked and cleaned the area of
debris. No one asked these young
men to do this, they came on their
own with rakes and barrels and
hauled off the trash in a small
trailer.

Approximately 300 young peo-
ple, ranging from toddlers to
slightly over ten years started
arriving at the park at 2:30. By
3 p.m. the cars were parked on
both sides of the street for quite
a distance. The little ones came
supplied with optimism and paper
and plastic bags. Others had
beach pails and plastic buckets.
One little guy who had obviously
forgotten to bring a container had
Mommy empty her pocketbook.
One Dad went all the way back

home to get his children con-
tainers.

Ken Zucker, Recreation Direc-
tor and his helpers had the kids
line up according to age and then
set them off in different direc-
tions in to the wooded area of
the park. They were straining at

the bit while standing in the
groups and at the signal to go,
they whooped off up the hill.

There were those who tried to
get pictures, but the kids were
moving so fast the pictures were
blurred. Some were reluctant
to stand still for a picture lest

they be left behind.

The largest number of eggs
that any one child found was five.
Most found one apiece and some
of the littler ones were to be
disappointed. A young man who
found a plastic toy powder horn
instead, felt it was better than

finding nothing.

It was a chilly day, for those
who came home without an egg
it was fun to be running in the
woods and being part of the chase.
For the older "kids", it was a
time to see friends and chat for
a while.

EXCITED YOUNGSTERS: And a few adults, at the Town Park, Sunday ready to take part in a municipally sponsored Easter Egg Hunt.

MR. AND MRS. CHARLES SOUTHMAYD: The former Deborah Genetti of Bedford, Flag Bearer of the Bedford Militiamen (drill team), is shown leaving St. Michael's Church in Bedford, Easter Sunday on the arm of her new husband, Charles "Silky" Southmayd, Drum Major of the Wilmington Crusaders, of 6 River Street, Wilmington. The couple plan to make their home in Bedford.

How to price your home right out of the market.

Give it a quick once over. And remember all the work you put into it. It must be worth a fortune. To you. But prospective buyers may see it another way. Overpriced.

That's the time to stop guessing, and see one of our experts.

We're Realtors, who are pledged to a strict code of ethics. We know the true value of houses. And what they will bring in the market. And know how to bring you prospects. Ones that are willing to pay the right price.

We'll even help the sale go through by helping the buyer find mortgage money.

So you can relax knowing your best interests are being taken care of. Professionally. And there's no better way than that.

First time in 11 Years

The varsity track squad took eight firsts in their fourteen event dual meet with Chelmsford, en route to a 65-57 triumph at Chelmsford on Monday. The win ended an 11 year drought, as the Wildcats had not beaten a spring track squad since 1959.

The relay team of Larry Harrington, Mike Curran, Bruce McMillan and Dick Gillis iced the win for Coach Kelley's squad as the Wildcats led by a slim 3 points, 60-57 entering the final event of the meet, with a fine effort edging Chelmsford 1:37.8 to 1:39.4.

Mike Esposito picked up three firsts (10.7 in the dash, 24.1 in the 220 and 19' 6 1/2" in the long jump). Carl Cotter gained a pair of firsts in the shot and dis-

cus events. The other boys to pick up valuable first place points were Larry Harrington (54.1 in the 440) and Bill Badiali (37' 5 1/2" in the triple jump).

Other point getters were Jack Barry (2nd in high hurdles), Dick Gillis (2nd in discus), Mike Curran (2nd in the dash), Bruce McMillan (2nd in 220), Gary Whitcomb (2nd in 880), Cliff Friberg (2nd in 1 mile), and Rick Keane (2nd in 2 mile).

In another conference meet, Tewksbury belted Burlington, 72-50. The Wildcats make their home debut this afternoon with a dual meet against powerful Andover. The affair is listed for 3:15 in the football field. During vacation the varsity will host Billerica on Monday and travel to Burlington next Thursday.

Baseball

Wildcats drop opener 8-5

The high school varsity nine threw away an early 5-0 lead in their conference home opener Monday afternoon bowing to Chelmsford, 8-5 in extra innings.

The Wildcats jumped out to an early lead in the second frame on a walk to Artie Bibeau. Jim Irwin's single to right and an errant throw by the Lions second baseman on a delayed steal. The second run of the inning came on Rick Gearty's one out single scoring Irwin from second.

In the third inning the varsity increased their lead pushing across three runs. Tom Beaton led the fram reaching on the Lions catcher's error of a strike out. Comeau, the Chelmsford hurler, walked Dave Stewart and then made a pitch to good for Tom Mirisola, who belted the ball deep into right center field for a booming triple scoring Beaton and Stewart with the 3rd and 4th runs on the season. Comeau then wild pitched Mirisola home while pitching to Bibeau. After walking Bibeau, the Chelmsford right hander bore down and did not allow another Wilmington runner to reach third base while giving up only one hit over the final five innings of the game.

The Lions closed the gap to 5-3

scoring 3 runs on four hits: a base on balls and an infield error off Rick Gearty. The Wildcats pitcher in the fourth inning.

Chelmsford tied the score in the fifth pushing across a pair of runs on one hit. The Lions were aided by a base on balls and a pair of errors by the Wildcats infield.

Gearty settled down, despite the porous support, to retire seven of the next eight batters. But, in the eighth inning, Doyle tripled with one out and he scored on a successful squeeze bunt by the next batter. An error, a walk, and a hit batsman led to two more runs and the eventual margin of victory for the Lions.

Wildcat Tales
Seniors Bill Gustus and Tom Mirisola have been elected captains for this season. Gearty pitched well enough to win, striking out 6 while walking four. Only four of the eight runs were earned. Comeau whiffed 13 varsity batters in a very strong performance. Coach Gagnon's javees also were on the short end in their seasonal opener bowing to the younger Lions, 6-3. Sophomore catcher, John Gillis led the junior varsity with a pair of hits, while Jack Gearty took the loss striking out 7 and walking 9. The two squads

travel to Tewksbury this afternoon looking for their initial conference win. In other MVC games Monday Andover belted Dracut, 10-2. Methuen topped Tewksbury, 4-1 and Burlington and Billerica battled to a 6-6 tie called at the end of eight innings due to darkness. Coach Gilligan is expected to call on southpaw Bill Gustus in this afternoon's encounter with the Redmen. The boys return home on Monday for a 1 o'clock holiday game with Billerica and then hit the road for a pair of games.

Freshmen

baseballSchedule

The boys' freshmen baseball team will play an eleven game slate this spring with their seasonal opener listed for next Wednesday at Burlington. Al Stone will again be at the helm hoping to improve on a 2-7 record of a year ago. Seven of the games will be played at home, and with the exception of the April 28th game with No. Andover all of the home encounters will be played at the West Intermediate School field. The complete schedule follows:

At Burlington
No. Andover
Andover West
Dracut
At Chelmsford
At Billerica
Burlington
Methuen
No. Andover
At Andover East

Spring Soccer Opener Sunday

The unnamed soccer club sponsored by the Recreation Commission will make its season debut in the Northern Division of the BAYS League this Sunday afternoon, hosting Weston at the North Intermediate School field. Kick-off is listed for 2 o'clock. Vic Lipski will handle the club in its initial appearance.

The boys will be participating in the "A" Division along with Wellesley, Newton, Natick, Marlboro, Framingham and Weston. The schedule has been revised due to the addition of several new clubs and as a result the Wilmington club will play the previous mentioned teams once, plus a non-divisional encounter with Foxboro of the southern section.

Divisional playoffs involving the first four clubs in each section will get under way on Sunday, June 6th with four quarter final games. The semi-finals will take place on June 13th and the championship game for the Harvard Cup is listed for June 20th. The revised schedule follows:

April 18 Weston
April 25 At Wellesley
May 2 Newton
May 9 Foxboro
May 16 At Natick
May 23 Marlboro
May 30 At Framingham

HAROLD TENHUISEN ON DEAN'S LIST

Bently College in Waltham has recently named approximately 200 students to the Deans List. Included among list is a student from Wilmington, Harold J. Tenhuisen, son of Mr. and Mrs. Harold Tenhuisen of 54 Chestnut Street.

RICHARD SHURTLEFF AT CHANUTE AFB

Last week the Town Crier received an erroneous news release stating that Airman Richard Shurtleff had been assigned to Lowry AFB, Colorado. The Airman's mother called to explain that he is actually now stationed at Chanut AFB in Illinois.

JOSEPH FRED A LOWRY AFB, COLO.

Airman Joseph J. Freda, son of Mr. and Mrs. Nicholas Freda of 3 Blackstone Street has recently been assigned to Lowry AFB, Colo., for training in the supply field. Airman Freda received his basic training at Lackland AFB, Texas.

Tennis Clinic Saturday

The Tennis Club, in cooperation with the Recreation Dept., will hold an introductory session on tennis for youngsters between the ages of 8 and 17 on Saturday, April 17, in the North Intermediate School cafeteria beginning at 9 a.m.

Topics to be covered include equipment, rules and scoring, court etiquette, as well as a movie demonstrating techniques of the game.

Registration for the instruction sessions to begin on April 24 will also be taken. There is no charge for these programs.

The kids have the Trout

The streams of Wilmington have been stocked with trout, for "earthworm day", which is next Saturday. The kids of Wilmington know just where the state trucks dumped the trout, and have been fishing all week.

Trout were dumped into Lubbers Brook at Middlesex Avenue and Concord Street, into the Ipswich River at Jenks Bridge and into the Shawheen River at Shawheen Avenue, and also at Main Street.

The Shawheen has been stocked at several other points, out of town, and perhaps will provide the best fishing, for serious adults.

Tennis Tournaments

Men's Singles

The first tournament on the Recreation Dept. Tennis Club schedule is fast approaching. On April 24th and 25th, the Men's Singles Tournament will be played, beginning each day at 1 p.m. on the North Intermediate Courts.

Wilmington residents interested in playing may enter by calling the Recreation Dept. (658-6512) between 12:30 and 4:30 p.m. Monday thru Friday.

Entries for men's singles end at 4:30 p.m. on Tuesday, April 20th. Players will be notified of the time of their first match by Friday, April 23rd.

Rotating Mixed Doubles

The following weekend, May 1st and 2nd, a new tournament will be played. This unusual tournament will see players drawing their partners names out of a hat, as well as their opponents. After each match, the partners will change.

Each player on winning doubles team will be awarded 1 point. After the two days of play, the top male and female point scorers will be declared the winners.

This is a good way to meet people and play with many partners. Entries for this tournament close on Tuesday, April 27th. Players may elect to play for either Saturday, Sunday, or both days.

Gyms to be open during Vacation

The Recreation Dept. will again keep the gymnasiums open at the West and North Intermediate Schools, and the High School during the spring vacation week.

This popular program, initiated during the Christmas vacation and continued during the winter break in February, allows boys and girls of varied skills to participate in activities such as basket-

ball, volleyball and tumbling. The gymnasiums will be open from Tuesday, April 20th thru Friday, April 23rd, from 1 to 5 p.m. at the above schools. Supervision is provided by the Recreation Dept. Locker room facilities are not available.

Over 1000 youngsters used the facilities during each of the previous vacation periods.

Seek Softball Commissioner

The Recreation Commission is now accepting applications from interested citizens for the position of Commissioner of the Wilmington Recreation Softball League.

This non-paying position is of great importance in running a successful season and the Recreation Commission is looking for someone, qualified in organization and interested in community service.

Applications should be sent to the Recreation Commission at the Town Hall. Applicants will be interviewed by members of the Commission before the appointment is made.

Electric light bills questioned

Bills from Reading Light have doubled, the Selectmen were told by Frank Yentile of Lowell Street, Monday night.

Without adding any extra services Mr. Yentile found that he was paying for twice as many kilowatt hours, the Selectmen heard. His bill, in Kilowatt Hours, had not varied plus or minus 200 hours in twenty years, and now it has doubled. Yentile said that the Reading Light Company sent out a technician who had checked his meter, and found nothing wrong. The check, he said, took about five minutes.

The Chairman, Bruce MacDonald, told Mr. Yentile that the Selectmen have already been discussing the electric light situation, and that the Town Manager is under instructions to consult with Ken Gaw, General Manager of Reading Light, and arrange for Mr. Gaw to attend a Selectmen's meeting. Yentile was reminded that there are surcharges now, because of the extra costs of fuel oil, brought on by the ecological demands for sulphurless fuel.

That was not his problem, Mr. Yentile said. His problem was that his usage of kilowatt hours had doubled, for no apparent cause. The bill jumped from 755 to 1455 kilowatt hours in two months - and it had also jumped for the neighbors. The Reading Light, Yentile said, had tried to "give me a line" that it was the coldest winter in years - "until I told them that I used gas heat."

"I think you have a problem," MacDonald decided. He told Mr. Yentile to go see Mr. Gaw, who Yentile was assured, "would be responsive."

Mr. Yentile's problem was one of several discussed by the Selectmen at the end of their meeting on Monday night. Selectman Jim Banda wants the Selectmen to discuss with the State Department of Public Works the possibility of constructing a sidewalk on Wiser Street, when the new bridge goes over the B & M. Selectman Jim Miceli reported that the Ad Hoc School Building Committee had stepped up their meetings to twice a week, and it looks as though there will be a Town Meeting in the first week of June.

A couple of the School Committee members, he said, had flown out to Chicago to observe a model school there - with a full year operational schedule.

The Town Manager reported that the U.S. Government Water Protection Agency had granted a 10% increase in their sewer grant to Wilmington, for use in the project to bring sewers to Eames Street. The sum will now be \$192,500, and he has already written, accepting for the town.

In work in recent days, the town employees have removed the debris from the buildings knocked

down on Grove Avenue, and have cleaned the brook leading from Silver Lake to Lubbers Brook.

The Clean-Up Program is in full swing, and will remain so for the rest of the week, with town trucks picking up trash from homes all over town. The place to call for service is the Highway Department Garage, on Andover Street - 658-4481.

Ralph Lux of Dadant Drive spoke to the board about the lack of police protection in his area. He had, he said, talked with Chief Paul Lynch about kids tearing down property, and that evening when a call was put in at 4 p.m., there was no response until 4:25 p.m. Mr. Lynch, Lux said, had said that it was because of changing police shifts. Lux also reported that the neighborhood was having trouble about a water hole - trouble that had been going on for several months.

Lawrence Flaherty of Hobson Avenue, told the Selectmen that the Boy Scouts of Troop 58 were anxious to assist in a clean-up and that they wanted something with an historical interest, with an ecology basis.

The leader is David Cone of 2 Oakwood Road. Selectman Banda suggested that they might be interested in cleaning up near the Baldwin Apple Monument.

Flaherty also spoke of drainage troubles, not on Hobson Avenue, but elsewhere. He told the Selectmen that a Whitman and Howe (engineers) report on a specific area should be read with reference to a proposal. "You can't rely on the Hatch Act - all that is required there is that they file with the Board of Selectmen their intent to fill - and if two of the state departments can agree, the Board of Selectmen are out."

Mr. Banda agreed that Mr. Flaherty had some thoughts which should have been considered.

A lady discussed street hockey problems with the board for a short time.

John Lucci was the last to appear before the board. He has changed the plans for the new building, and as a result has to remove some loam from his business lot on Lowell Street. The gravel rules allow the Selectmen to give such consent, in construction and this was done.

Selectmen's Meeting

When the new speed regulations are promulgated for the Town of Wilmington the speed limit on Lake Street is going to be 20 mph. That the Selectmen learned, Monday night, and also that the portion of Lake Street that goes through Tewksbury is to be similarly limited, to which the Tewksbury Selectmen have agreed.

Officer John Ritchie, with a Mr. Sullivan from the Department of Public Works and a Mr. Kennedy from the Registry of Motor Vehicles, discussed the speed limits of not only Lake Street, but of Salem Street and Ballardvale Street. The latter street got the most attention from the Selectmen.

The Selectmen have tabled final action until all is in agreement. Two lots of land, in the Mass. Ave. area, having been advertised, were sold to Joseph Albo, an abuttor for a fair market value of \$600.

Joseph P. Beaton Jr., of King Street, and Francis J. Zizis of Nichols Street were drawn to serve in a special venire jury, in Cambridge, starting on May 10th. Paul Morrice of 109 Middlesex Avenue will serve in Cambridge Jury Pool, starting on May 3rd, and on the same day Anna Hennessey of 1 Kelley Road will start serving in the Lowell Jury Pool.

Town Park Drinking
Mrs. Charlotte Stewart and Ken Zucker of the Recreation Commission told the Selectmen that they want a No Drinking rule enforced at the Town Park. Adults are involved, and also 18 to 20 year olds, they said, and they want No Drinking enforced, especially with the younger group.

Mrs. Stewart said that if the rule would not be enforced the result would be "ruining our softball league". Fans, she said, razz the umpires, and maybe they should stop the fans from coming. The trouble, she made clear, was with the spectators.

Chief Paul Lynch told the Selectmen that he had sat in his car on Saturday morning and counted over 500 beer cans "and other trash". He was pleased he said, to observe a youngster at 11 a.m. who went and got some friends, and started to clean up the place.

(The youngster is believed to be David Gordon, of Oak Street, Ed.) The younger element, the chief observed "deserve a pat on the back".

On suggestion of Banda, the Highway Superintendent is to have signs made prohibiting any drinking in the Park, and the Town Manager hoped that every organization which uses the park will "sign up".

Rudy Rotolo, associated with Wilmington Ford, asked for a license to sell new autos (foreign) on Main Street, near Maple Meadow Brook. Mr. Rotolo is preparing plans for the construction of buildings, etc.

James Attarian, who owns property between Amherst Road and Carter Road sought a permit to move gravel. He described his property as ten acres - "a mountain", and said he wanted to level it - to landscape. The gravel, he said, is going to a shopping center, which is to be located below Wilmington Square. It later turned out that the area is 12,000 square feet.

Mr. Attarian was told of the gravel regulations, and that he must abide, before he can start moving gravel.

The next speaker was a Gilbert Rezendes, who wants to operate a Fish & Chips stand and restaurant at the site that Mr. Attarian wants to fill. He hoped to have, he said, 15 to 20 tables, and a take-out service. The "real estate man in Billerica" had advised him to consult with the Wilmington Selectmen.

Chairman Carl Backman took time to explain the new High Density Zoning, - how Rezendes would have to get an article in the Town Meeting, and then a two-thirds vote. Then, said Backman, he would have to get the approval of the Board of Selectmen and the Board of Health.

"Thank you, gentlemen," said Mr. Rezendes. He put on his hat and left.

The Selectmen were notified of the new membership of the Wilmington Drug Committee, and the TM advised that there is a memorandum of agreement with the State for the improvement of Andover Street, under Chapter 90.

They were told of "International Walk for Development" which will be May 8 & 9, and has been endorsed by President Nixon. Locally Martha Rounds is in charge of the Wilmington Walk. There is to be a Poster Contest in the schools, and bumper stickers, etc., the Selectmen were advised.

A letter was received from Mrs. Joan Bradley - inviting the Selectmen to the 50th Anniversary of the Auxiliary to the Wilmington Post of the American Legion on Saturday evening. The ladies were granted a license to sell poppies April 29 & 30, and May 1.

A mess of ambulance bills all unpaid, and for which there are no addresses, and dating back to 1963, were abated.

Two letters from WHS graduates

Dear Larz:

Enclosed is a letter from my roommate and I which we came up with after we heard the results of the Calley trial. We serving here in Viet Nam now cannot see anything good coming from this exploitation of this man as a political pawn and I felt I had to say something about it. I would appreciate it if you could print it in your "letters to the editor" column along with my present address. I'm hoping to make some people think and if there is disagreement that's fine as long as they think it over.

Thank you for any co-operation you may give and I hope to see you back in Wilmington in about four months.

Incidentally, my roommate, Bob is not one of our local boys. He is from New Jersey, but we think a lot alike.

Sincerely,
Paul MacMillville
APO San Francisco

Dear Larz:

What is wrong with the United States today? What is wrong with everyone in our home town and people all over the country? We as Americans are supposed to have the most civilized and fair country in the world and yet incidents such as the court martial and conviction of Lt. Calley can happen within our society.

We feel Lt. Calley has committed no crime and whatever his actions were they were in the line of duty. Since he has been convicted we feel that every American is also guilty for their own actions in supporting the war whether it be a military man actively serving in Viet Nam or every man and woman that indirectly supports the war effort from behind the political and economic security of U.S. business or statehouse walls.

It is a sick nation that can put all of the guilt and blame for the war on one man's shoulders. Shall it go down in history that the U.S. used a scapegoat as a cheap political justification for what every American is guilty of? We don't feel there is any one American Citizen who can say that they are fulfilling their obligation as long as men like Calley can be put into any situation as unjust as this.

It is the U.S. Military that teaches these men to kill, we are taught to survive in the most strenuous situations, even when it means killing. If this is a crime countless of thousands could also be punished. There is much of the same going on every day in Viet Nam. Calley's troops were being mauled and massacred by an enemy they couldn't see, feel or touch in My Lai, as others are also facing in other parts of Viet Nam.

terms of the loan specified repayment within three years of graduation and, unless the loan was repaid by some unseen benefactor, this makes me 2 years overdue, since I graduated in 1966 (B.S. Math).

It was nothing short of irresponsible for me to let this delay take place and for me to omit communicating with you until now. Please accept my apologies. If you will write me a brief letter (c/o the address below) and indicate the precise way in which you would like me to remit the money, plus the amount and any interest you may wish to apply for the delay in repayment, I will be most happy to set things straight. Please write to (name omitted, Ed.)

Sincerely,

(name omitted, Ed.)

P.S. You may be interested in knowing what I've been doing for the past ten years. After a five year struggle with college I went to work for Sanders Associates as a computer systems engineer. It was a challenging job that sent me travelling all over the country and for 5 months to London. After seven years of marriage (to name omitted, Ed.), also a WHS graduate, and 2 children, now 5 and 6 respectively, I (we) entered into a group marriage with another couple with whom we had quickly become very close.

This took place about 14 months ago. Our four-marriage, as we call it, is a real spiritual lifetime commitment involving two men and two women. It is a powerful tool for the personal growth of each of us; the high energy of four people in agreement to share and love helps us work out and conquer jealousy, anger, possessiveness.

After forming our four-marriage, it became clear that we had to change our life style. The pressure and draining effect of working for corporate business did not allow us the time together we needed for working things out. Finally, last April, we quit our jobs, bought a 1951 Mack school bus, fitted it out as a travelling home, sold everything we had (cars, televisions, stereo, records, refrigerators, washers & dryer, clothes, books, furniture - everything) except what we could use in the bus, and set out for the west coast in search of a new way to "do it".

What we found last August in San Francisco was a spiritual teacher named Stephen, and a community of his followers, all dedicated to peace and truth and the precept that we are all one. That we can find a way to get along together on this planet if we learn to see the God in each of us, and that the real revolution is the one that happens when peoples' minds change. Stephen himself is also part of a four-marriage, and there are a dozen others in the community, as well as conventional marriages and single folks.

Since August, we have traveled around the country in a caravan of buses and vans. The tour was about 10,000 miles and Stephen's talks were published nationally and internationally (N.E.T., March issue of Mademoiselle, CBS, UPI, etc.). Stephen has also published a book called Monday Night Class about the religion we practice (Monday Night Class was taught in San Francisco and attended regularly by nearly 2000 people).

After the caravan tour, Stephen and about 300 of his following (including our family which now has 5 children - one born in our bus in Ripley, N.Y. during the tour) have travelled to Tennessee where we are currently negotiating to buy a farm, settle down, and become a self-supporting community. We are vegetarians and we plan to raise nearly all of our food ourselves. Also, that degree will be useful since we plan to operate our own school to teach our children.

Well, that brings you up to date. It's been getting more exciting to be alive every day.

Peace be yours, and I hope to hear from you soon. I'll sign off with a name I have been using since I became a religious student. It is an original Hebrew name, and so too my spiritual name.

NOSEY NANCY

Send your announcements to Nancy, Box 208, Wilmington or call 657-7141, and after five, 658-4865. If I'm not there, I'll call you.

So...this week has been fine so far and really Spring...Great to see the Bib Box back in action! Leo Woodside is around the Town singing...after that weekend in Montreal...What a Difference a Day Makes...cause on Sunday he was dining on frogs legs, and wine and on Monday back in the Hometown it was a sub-sandwich and coke...Well that's the way it is...the American way!

That Rotary Carnival is next week on the lot behind the Shell Station at the junction of 129 and 38...and it is ALWAYS DURING the School Vacation Week...We apologize for the confusion there. Mas and Pas...then Get you're money ready...it should be an interesting carnival with that building going on next door...if you're missing a small boy...look in that excavation cause they will do it every time!

Happy Easter for the Dick Cushing...Richard was home Sunday with his left arm moving and his speech is good...Now they are building a brace for his leg...and he's really with it and improving much faster than expected...This Chick's Hat is certainly off to you Dick...That's our boy!

You have those cards handy? Josie Vadakis of Dartmouth St at New England Memorial in Stoneham...Leo Barbo is recuperating there also...then Bill Ready is at Winchester...and Rene LaRivee is home from Winchester after a long round at Winchester...So, we miss you fast there, folks...we miss you!

Then we're proud of the Deb Lester Viens, daughter to Don and Liz Andersen of Lowell St who made the Dean's List at Lowell State...even with tending a husband, baby and apartment...Nice Going Deb!

Dapper Harold McKelvey arrived home from the hospital and blasted the TM and Board of Selectmen we hear for the neglect of the Town Park...Think you think you better do your thing, Harold, and organize those kids who are littering the jern to pick it up...And by the way, Roses to Ernie Romano this week...We arrived home from that spotless Vineyard and had been breaking our backs picking up the square with bag after bag of stuff...and we spotted a messy situation in another end of the Route, and called Ernie...In five minutes that situation was under control...and that's moving it...Nice work, Ernie!

The trash around this Town is something...else...and we are saying this to you all...and you know who you are...The best

place to find a helping hand is at the end of your arm...and that is by Anon, and whoever Anon was...he had the right idea...Are you with me?

Consultation on Racism for all folk at the Meth Church 3:30 pm on the 21st thru 10:30 pm on Thursday...Lindsay and his associates are here by popular request on a return visit...Now, where were all you up-tight folk at the meeting for Friendly Town on Tuesday night...where you could put your concern to really practical use?...and let's have those phone calls for this one!

Ecumenical Buffet on May 11 at 6:30 at St. Thomas...Bring a covered dish and tickets are 99 cents per person...then on May 9...the young folk are sponsoring an International Walk for Development to raise funds to overcome world hunger...This seems like a big order and we don't know quite how it works but perhaps one of you Kool Kats will give this Gal a jingle so she can tell the folk more!

Northeastern U holding a Car Wash on Burlington Campus 10 am to 3 pm on the 24th...Camp 40 Acres Cleanup Day listed for May 1 and 8...so get your shovels and lunches ready May 1 is that Little League Parade...I assume here in Town Then, Special State Census on April 20 in this Town...and that's the one we hassled at the Meeting That Spring Hat gives this Gal a real lift!

Those Drum Corps Crusaders are marrying each other...Deb Genetti and Silky Southamoyd were married on Easter and Dave Thompson and Evie Denett of Millis will be married in June...Silky will continue as Drum Major for the Competition Season, the first of which is on June 4, and also he'll be instructing the Princemen Color Guard in Melrose...New members contact Roy Wallace 658-8100...or Swordsman contact Bob Mulkern 657-7927.

Girl Scout Organizers will meet with the mothers to place girls for fall on Thursday, the 29th at 10 am in Villanova Hall...

Here we go...Easter was a blast back at the Hut with all hands milling around with the exception of Stan, the Man, who took off for Kentucky via Ohio again...and we all had a great good time...The small fry again tore round and round...just like the old days...and that new Grand-boy got well initiated getting tossed from one to the other in true Clark Style...but he doubled up like a football and took the tosses very well for the first time out...We were sad that Nana couldn't mak the scene, but we'll be on the Vineyard for more Spring adjustments in May on some weekend...it has to be that way...

cause that Big Daddy has this Chick on the service circuit nowadays...so that along with all the signatures for the School Committee...she does have to spend a little while selling houses so she can afford these service jobs!...so, provided we make it we'll see you next week!

Love ya!

No Fines on Books during National Library Week

The Memorial Library will be celebrating National Library Week, from April 20th to the 24th.

There will be no fines on overdue books for the entire week. A large selection of new books will be on display and available for circulation. As usual, the elementary schools will have an art exhibit, which, for this week, will be larger to include more student's work.

On Tuesday, April 20th there will be a film program, recommended for children in grades 1, 2, and 3, at 3:00 p.m. The films to be shown will be: "A Chairy Tale (a modern fairy tale of a youth who tries to sit on a chair but the chair declines to be sat upon); "Five Colorful Birds (pictures of goldfinch, cedar waxwing, scarlet tanager, red-headed woodpecker, and eastern blue birds); and "The Daisy" (an animated story of a daisy which could not be destroyed by an insensitive person). Parents are invited to attend with their children.

FOREST STREET CONGREGATIONAL CHURCH

Minister, Rev. Kenneth Savage. Sunday, April 18th: 9:45 a.m., Sunday School; 11:00 a.m., Morning Worship...Nursery available during church services.

MRS. THYRA FERRE BJORN: Well-known author, will speak at the Congregational Church on Wednesday, April 28th, at 8 p.m. Her books, based on the life of a Swedish minister's family in a tiny town in Lapland and later in a New England parsonage, are familiar to many of us.

She will tell the amusing story of "How Mama Got Papa" combined with her own philosophy of life from her own experiences. Everyone welcome as guests of the Ladies Benevolent Society.

On Friday, April 23rd, there will be a drawing for the book, "Orr On Ice" (by Bobby Orr). Children in grades 1 thru 8, with library cards, may enter at any time during the week. The drawing will be at 3:00 p.m.

NANCY FORREST ENGAGED

Mr. and Mrs. Hugh A. Forrest of 155 Lake St. announce the engagement of their daughter, Nancy Jean to William F. Curtis, son of Mr. and Mrs. Noel Curtis of Orem, Utah. Nancy graduated from Wilmington High School with the class of

1969 and from Brigham Young University in Provo, Utah with an Associate of Arts Degree in Jan. of 1971. She is presently employed by Demoulas.

Mr. Curtis is a graduate of Utah Valley Technical Institute and is now employed by the Mountain State Steel Co. A May wedding is planned.

SGT. DONALD FARRINGTON IN JAPAN

Air Force Sergeant Donald G. Farrington, son of Mr. and Mrs. Thomas C. Farrington of 19 Gunderson Road has arrived for duty at Yokota AB, Japan.

Sergeant Farrington, an aerial weather observer, is assigned to a unit of the Air Weather Service. He previously served at Carswell AFB, Texas.

The sergeant, a 1960 graduate of Wilmington High School, received his B.A. degree in sociology in 1968 from the University of Massachusetts.

His wife, Carol, is the daughter of Mr. and Mrs. Harold M. Shapell, of Bound Brook, N.J.

INSURANCE INSIGHTS

By Lloyd Bender

Education Fund

Could you pay for a college education for your children from your current earnings? If you can't, life insurance can help you provide for your children's education.

It takes about \$1,500 per year for a child to attend a state-supported institution. A private college or university will cost close to \$2,000 a year. A four year college education can cost up to \$10,000. That's over twice what it cost in 1940. In a few years, it will probably be even higher! One of the basic financial needs a family faces is their children's education. Many large numbers

of families save for education through life insurance. Individual circumstances dictate the type of policy to buy. Your insurance agent is your best advisor on the right policy for you. Watch next week for: Limited Policies

Happiness is knowing you are fully protected by insurance! For Your total Insurance Service see THE BENDER AGENCY. Your protection is our business at THE BENDER AGENCY, 380 Main Street, Open Monday thru Friday 8:30-5:00, Thursday evenings till 9:00 and Saturday 8:30 to 12:00 for your convenience.

Letters

Dear Larz:

In answer to the letter appearing in the Town Crier on April 1, Playschool would like to make the following reply:

Playschool was formed by a group of concerned mothers volunteering to give the children of Wilmington the opportunity to meet and play with children their own age. There were three stipulations which were mandatory and agreed upon at registration.

First, was age. The child must be five years old by December, 1970.

Second, there would have to be a fee of \$2 weekly - one dollar being given to the respective churches for the use of their facilities; the second dollar used to buy juice, cookies, toys and supplies for the children.

Third was mother participation. This would include anything that the teacher or assistant felt necessary to insure the class functioning as a class - passing out supplies and snacks, buttoning and booting, keeping relative calm, etc. In this particular case, the teacher has a year old son; without someone to help, her class would have to be cancelled.

Mothers with younger children are invited to bring their children that day, or make arrangements for another day - we are very flexible.

Only two children to date have been denied, both for the same reason, the refusal of their mothers to participate. We resent the implication that we are denying these two children; their mothers have done this by their refusal to participate. As to answering the question "Why can't I go to Playschool anymore?" perhaps these ladies would explain to their children that they were too busy to give this one morning to Playschool. They have also been told the children will be welcomed back when arrangements to participate are made.

It has also come to our attention one of these children did not meet the age requirement.

Of the approximately one hundred children involved, these are the only two whose mothers have refused to meet the necessary requirements.

We involved in Playschool are very proud of what we have been able to give to these children.

Sincerely,
Janet Dewire, Sandra Cosman,
Charles Putnam, Barbara Larson,
Marge Lux, Charlotte Attamian,
Roberta Davis, Carol Wiberg,
Joan Foresteire, Pauline Carlson,
Mary Smith, Lynne Allard,
and Beverly Fuller.

Dear Larz:

The response to Easter Sunday's egg hunt at the Town Park was wonderful to say the least. Doves and droves of kids took to the woods in search of eggs, leaving behind some fearful parents. Will they come back? Will they get lost? They had nothing to fear, the teen agers were on guard.

Who was responsible for this first and most successful adventure by the Recreational Dept.? The young people of the town! They volunteered their time and cars to clean up the mess left by others. They did a wonderful job; they even graded the entrance way for the cars to enter the park.

Our hats should be all off to these young people. Who says they don't know how to work for a cause?

Yours truly,
Reggie Bishop

Dear Larz:

With reference to the letter of last week, and the playschool. Last Sept. I, too, enrolled by child, Mary age 5, in the "Playschool" program at the Methodist Church.

Upon enrolling my daughter the ladies running the program were very explicit that it was one of the requirements you be a class room helper sometime during the school term.

Many women who have children attending Playschool have made "other commitments" for Tuesday and Thursday mornings from 9 to 11:30. For the first time, they had time to go bowling, to the beauty shop, leisurely stroll through the mall, some are attending art classes, yes, for many it was their first opportunity in years to have a few hours to themselves.

With regard to your paying for "Playschool services"....the tuition has been \$2.00 a week. You get baby sitting services at that price. That is less than 50¢ an hour. And your children are receiving so much more.

You yourself stated it had brought great enjoyment to your child, as it has for all the children. The experience has been far more valuable than the meager \$2.00 a week.

All services of the instructors are strictly voluntary, the \$2.00 goes for supplies and use of the church. These kind and dedicated women have many times taken money from their own pockets for treats for the children.

Don't you really think your charges are a bit gross and unfair?

I personally am very grateful to these ladies and hope you will reconsider and see what damage a letter such as yours can do to a very worthwhile endeavor.

If anything, you should be saying "thank you" for the months of enjoyment your son had. You, not the school have taken this

pleasure away from him.

Sincerely
Anne D. Linehan

Dear Mr. Neilson:

I am writing to you in hopes that my problem will be seen by my neighbors and hopefully remedied by them. We live in a town where there is a leash law that is taken seriously by very few. The people who break the law put the complainant in a position where complainants feel guilty and unfaithful to friends because violating dogs are reported to the dog officer. It is rather amusing to see how the blame for a reported dog is directed. The violators take no responsibility for their dogs and their misdemeanors.

I have no dog and resent the mounds of dog dung in my yard. My four children as well as their friends are victims of misplaced foot-steps. In order to enter our back porch, we must play "dodge the dung pile" to save our shoes and boots from the numerous dog excreta. Many homeowners, ourselves included, invest a small fortune in shrubs just to have them destroyed and burned by dog urine. How unjust and thoughtless of dog-owners.

The worst offenders are the sneaks who let their dogs out after dark knowing they will not be seen by anyone. The early risers are great for getting the dogs out into other yards before the poor victims are out of bed. I can imagine how furious those people who faithfully keep their dogs leashed must feel as they crawl out of bed on a cold, wet morning to hush the dog out and leash it to a tree only to be greeted by the barks of an unleashed dog who has trespassed on their property. No longer will I feel conscience stricken if I report a dog.

Apparently no such feeling has been felt as I scrape my children's shoes or shovel the yard before the kids can go out to play. I would appreciate it if you would publish this in hopes that it might wake up a few inconsiderate people who want dogs, but not the responsibility they bring.

Very truly yours,
Jeanne M. Willis

(You think you have troubles? How about the lady on Morse Avenue who has a nearby neighbor with a monster dog?)

A year ago, the dog killed her pet, Fluffy. The dog had to rear down part of the lattice work un-

der the steps, to get at the cat.

And just about a month ago her dog Tiny was killed. Tiny was a little black and tan terrier who was never let out without escort. The neighbor's dog attacked just as Tiny got to the bottom of the steps - and in spite of defending him with a shovel and a broom, Tiny died in the Vet's Hospital.

The dog owner has been ordered by the dog officer to keep it tied, and now it is only seen loose at night. Isn't a killer just as much a killer after dark?

(Ed.)

Dear Captain Neilson:

Now that the Annual Town Meeting is finally over, the writer is wondering whether or not you noticed some of the same things she did on that last Saturday?

Was Jim Thirsty?

During the discussion regarding the acceptance of Kenwood Rd., Mr. Miceli excused himself from the voting on the grounds that he had a sister living on the street. Fine, this was probably the honorable thing to do.....But, prior to that when it came time to vote on Article 29 (Veteran's Appropriation), Mr. Miceli absented himself from the podium entirely. Could this be due to the fact that he has a sister who is a member of the VFW?.....was he thirsty?.....or did he feel that the issue was going to be too evenly divided?.....As you know, there was no need for any of us to stand and be counted on the article, it was carried by voice.....but upon completion of the vote, Mr. Miceli returned to his seat.....Probably just coincidence.

Did Joe "Goof"?
Did Joe Courtney "goof" in his manner of presenting the article for the establishment of a Garden Apartment Zone? Joe is, in this writer's opinion, one of the most intelligent, knowledgeable, forthright and courteous young men this town has had the good fortune to boast of.....But, shouldn't a man of his calibre have had some idea what he would run into with that huge amendment to Article 43?.....Wouldn't it have been more sensible to have had the amendment in the hands of the voter prior to presentation of the article?.....Perhaps they should have been mailed or delivered to the taxpayers, so that those who were interested could have studied the issue a little more completely. Shouldn't Joe have realized that

the Planning Board would throw in as many monkey-wrenches as possible?

By the time the article came up for discussion, the voters were too tired and hungry to even try to understand what was going on. This writer, who is most assuredly in favor of apartment housing for Wilmington, was more than a little confused and would have hesitated to vote.

Mr. Courtney should realize however, that his efforts were not "all for nothing".....never once during the onslaught he was forced to endure did he "blow his cool".....he in fact, grew in stature and certainly emerged from the High School that Saturday evening, a much bigger man than those who harassed him!!!

Judy Pierce

Dear Larz:

We, the residents of Alderwood Estates would like to express our gratitude for the support we received in having our articles for street acceptance and completion presented and voted in unanimously at the Town Meeting.

First, we would like to thank Joseph Courtney for listening to our problems and carrying our views before the town boards.

Secondly, to a man who has the intestinal fortitude to get up at the Town Meeting to say "we goofed". This type of courage is paramount to meaningful municipal government. To Daniel Gillis, our sincerest thanks.... please keep up the good work.

We also wish to thank the members of the Board of Selectmen, Planning Board and Finance Committee for recognizing a situation that has been avoided too long.

Special thanks are offered to Bruce MacDonald and Arthur Harding who have provided a great deal of their time and knowledge. Their efforts are sincerely appreciated.

Beyond thanking all those people directly involved, we also wish to thank the voters of the Town of Wilmington who sympathized with our problem. It now appears that this type of problem will never again have to be before a Town Meeting, since the Town Council is now responsible for reviewing all development bonds.

Sincerely yours,
Tom Francis, Bruce Peters,
Richard Smith, Alvin Dyer and
Sanford Bearse, Spokesmen for
the residents of Alderwood
Estates.

GLENNA DOWNS
ENGAGED

Mr. and Mrs. Francis E. Downs of Ayotte Street have announced the engagement of their daughter Glenna Elizabeth, to John R. Barnes of Woburn, son of Mr. and Mrs. Alvin Barnes of Dayton, Tennessee.

Glenna is a Senior at Wilmington High School and is presently employed at the Memorial Library. Mr. Barnes was educated in Dayton, served three years with the Army, part of that in Viet Nam and is now employed with National Poly Chemical on Eames Street.

A July 3rd wedding is planned.

LOCAL WOMEN ENROLLED
IN SPECIAL EDUCATION

Mrs. Jean Beninati of Oakridge Circle, Mrs. Judith Butler of Short Street and Mrs. Pauline O'Brien of Harris St., are among

forty women enrolled in a course in special education to prepare to work with children who have learning handicaps.

The program is being conducted under the auspices of the Merrimack Education Center, Chelmsford, and will prepare teaching assistants for schools in the Merrimack Valley region.

The assistants, during their

ten week course will receive 120 hours of training, including 70 hours of classroom experience under the direction of a certified teacher.

The purpose of the training program is to orient non-professional personnel to the requirements of an effective individual tutorial program under the supervision of a qualified teacher in learning disabilities.

Music Festival April 29

PRACTICE SESSION: For choral students of the North Intermediate School. Seated, left to right: Kenneth Leavitt and Mark Davidson. Standing: left to right: Mrs. Sandra Kellan, music teacher, Nancy Lester, Elaine Freeman, Joy Walley, Nora Pelletier, and Carolyn Landry.

The Music Education Department will host the Junior High School Bands and Choruses from North Reading and Tewksbury in a Tri-Town Music Festival at Wilmington High School on Thursday evening, April 29th at 7:30.

The youthful musicians are to participate in an afternoon rehearsal with guest conductors, Miss Catherine Nadon, Choral Director from Westfield State College and John Whitney, Band Director and Teaching Assistant at the New England Conservatory of Music.

Following the afternoon rehearsal, visiting students will be dinner guests in the homes of Wilmington students.

JOSEPH ZAHAR COMPLETES COURSE

Joseph L. Zahar, 1 Birchwood Road, representative for Mutual of Omaha and United of Omaha, has recently completed a comprehensive insurance course offered at the National Sales Training Center, in Pittsburgh.

The training center offers the first formal step in preparing the graduate for a professional career as a health insurance representative.

Mr. Zahar is associated with the R. William Bower Agency, general agency for Mutual and United in Reading.

The evening program will include selections from the Classics, Broadway Shows, Pop and novelty numbers and will feature the combined 180 piece band and 160 voice chorus in a final rendition of the "Battle Hymn of the Republic".

The concert will be held in the gym. Admission is \$1.00, benefit of the New England Conservatory of Music Renaissance Fund. Tickets may be purchased from any member of the band or chorus and will be on sale at the door.

BARBARA ZAINO SPONSORS INDIAN GIRL

Barbara J. Zaino of 20 Linda Road is sponsoring Nevelyn, a 6 year old American Indian girl, of the Navajo Tribe, through the Save the Children Federation. The announcement was made recently by Dallas Johnson, Director of the organization's American Indian program.

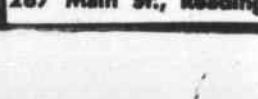

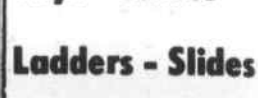

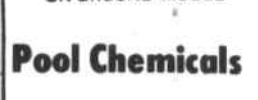

The sponsorship will help provide clothing and supplies necessary for the child to take part in school activities.

Founded in 1932, Save the Children Federation aids children, their families and communities in the Southern Appalachian Mountains, on the American Indian Reservations and in many countries abroad.

An individual, school or group interested in sponsoring a child should contact Save the Children Federation, Post Road, Norwalk, Conn., 06852.

APRIL AWARDS FOR PACK 136

During the April meeting of Cub Scout Pack 136, held recently at American Legion Hall, Allan Jones was graduated to Boy Scouts from Webelos.

The attendance award went to Den 2, while Theme Exhibit awards were presented to: first, Den 2; second Den 3 and third, Den 1.

Bob Cat pins were awarded to Charles Aberly, Dan Maynard, and Brian Floren and Wolf Badges went to Timothy Dunn, Dan Supernight, Bobbie Hetsell, Frank West and Dave Finch.

The evening was closed with an old fashioned sing along led by Den 3.

The next meeting of Pack 136 will take place on May 4th.

Atkinson - Baker

On Sunday, February 14th, Miss Wendy Elizabeth Atkinson, daughter of Mr. and Mrs. Dexter Atkinson of 164 Shawheen Ave., became the bride of John R. Baker, son of Mr. and Mrs. Raymond J. Baker of 1 Mystic Ave.

The five o'clock ceremony at St. Thomas Church was celebrated by Father Francis Mackin of St. Thomas and Rev. Willis Miller of the Wilmington Methodist Church.

Given in marriage by her father, the bride was radiant in a white satin gown trimmed with appliqued lace and beaded flowers, with puffed sleeves and a beaded standup collar. Her fingertip veil fell from a crown of beaded lace and she carried an old fashioned bouquet of roses and carnations.

Sandra Atkinson of Methuen, sister-in-law of the bride, served as Matron-of-honor while Janet Burwood of Boston; Gail Pineau of Lawrence and Joanne Laion of Lawrence, close friends of the bride served as Maids-of-honor.

The Brides Maids wore old-fashioned gowns with pink bodices

and floor-length burgandy velvet skirts and matching headpieces. They carried old fashioned bouquets of pink carnations and red roses.

Mrs. Atkinson chose for her daughter's wedding a blue crepe gown which was adorned with a corsage of red roses.

The mother of the groom was attired in a brocaded pink and silver gown. She wore a corsage of white roses.

Following the ceremony, a reception was held at the Hillview Country Club where Rachel Swartzburg was in charge of the guest book.

For traveling, the new Mrs. Baker chose a beige double-knit dress with a cherry red coat and black accessories.

The bride was educated in Wilmington High School and Juliet Gibson School of Fashion.

Mr. Baker was also educated in Wilmington High School and is presently a member of the Airforce.

The couple now resides in South Hadley, Mass.

LOUISE BAKER TO WED LEONARD BRYANT JR.

Mr. and Mrs. Raymond J. Baker announce the engagement of their daughter, Louise M. to Leonard R. Bryant Jr., son of Mr. and Mrs. Leonard Bryant of 5 Chase Rd.

Mr. Bryant is currently serving with the Navy aboard the USS Forrestal in the Mediterranean.

Miss Baker is attending Wilmington High School.

A July 11th wedding is planned.

MERRIMACK COLLEGE TO HONOR FIRST GRADUATES

The 112 members of Merrimack College's first graduating class, the Class of 1951, will be the honored guests of the College on Friday, May 7th, the twentieth Anniversary of their graduation.

Roger Breakey of 63 Middlesex Ave., an Instructor at Wilmington High School is a member of that class.

In announcing the commemoration program, President Rev. John Aherne, O.S.A., said, "as Merrimack College enters its twenty-fifth year, we wish to recognize and honor our first graduating class. One of the major contributing factors of the educational growth of Merrimack College as well as its greatest source of identity in the Merrimack Valley has always been our alumni. We hope that the members of the Class of 1951 will join us as honored guests on May 7th.

Karen Moore, daughter of Mr. and Mrs. Eric Moore, 35 Concord Street, received her cap recently at a Capping Ceremony held at the Merrimack Valley has always been our alumni. We hope that the members of the Class of 1951 will join us as honored guests on May 7th.

Karen is enrolled at the Northeastern-Tufts University Dental Assistant Program and will graduate in June.
